2 YEARS OLD

If your dancer is 2 years old on September 1st, 2023...

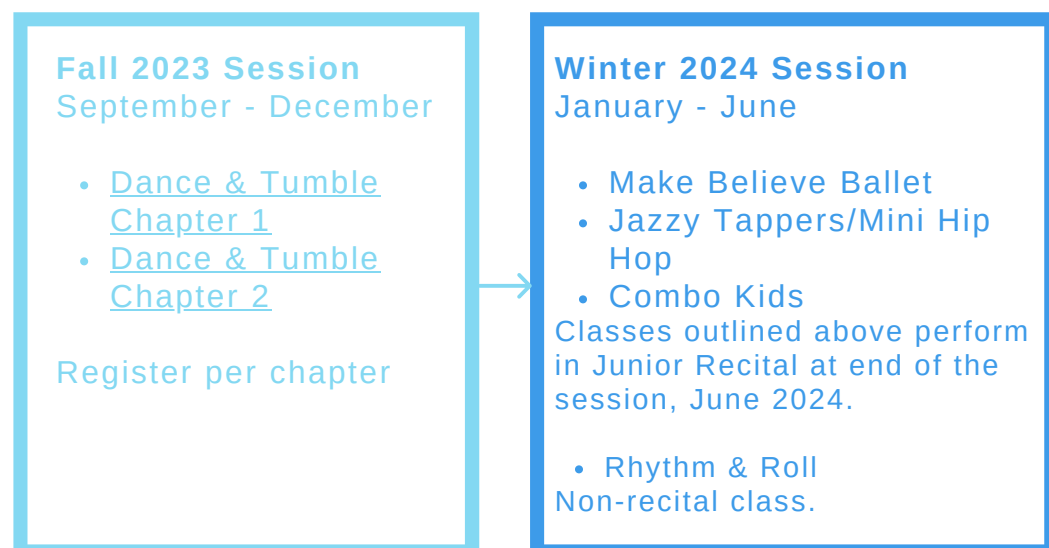

We recommend starting with our Dance & Tumble program! This is our parented program, offered in "Chapters" which build on each other throughout the season.

**If your dancer is turning 3 years old during Chapter 3, there is the option of looking at moving to a non-parented class in the New Year and joining our Explore More program, for dancers ages 3-4 years.*

If your dancer is 2.5 years old on September 1st, 2023...

We recommend beginning in our Dance & Tumble program and from there you can either follow the path above or consider a class from our Explore More program, for dancers ages 3-4 years, in Winter 2024!
